Press Release

Hizb ut Tahrir / Kenya Conducts Picketing calling for Military Action against Genocidal Jewish Entity

Following the ongoing genocide by the Jewish entity against the people of Gaza, Hizb ut Tahrir / Kenya on Friday 18th April, conducted picketing after Jumua Prayers in Mombasa and Nairobi. In the Coastal City, the picketing was held outside the Masjid Nur while in Nairobi at Masjid Hidayah Eastleigh Street. The main theme of the Picketing was to raise a warm call to the Armies in the Muslim lands to break the chains that their rulers have placed them in their barracks so that they can move immediately to liberate the Blessed Al-Aqsa Mosque from the clutches of the occupying Jews.

The Picketing ended by holding a short press briefing on the ongoing assault against the people of the Blessed Land. At the briefing, Shabani Mwalimu (Media Rep Hizb ut Tahrir Kenya), Ustadh Mahad Ali – Chairman of CCC (Central Communications Committee of Hizb ut Tahrir in Kenya) along with Ali Omar Member of the Media Office of Hizb ut Tahrir in Kenya reiterated the only state that can brazenly mobilize the Muslim army against the Jewish entity's army is the Khilafah (Caliphate) State upon the method of the Prophethood; it has the power to terminate the arrogance, pride and prejudice of the Jews.

Generally, the Ummah was reminded of their noble task of resuming the Islamic way of life by reestablishing the Khilafah (Caliphate) state upon the method of the Prophethood that will brazenly mobilize the Muslim armies against the Western backed Jewish entity.

Sykes- Picot Scheme of Separation Plunging Africa into More Turmoil's and Anarchy

News

As of March 30, 2025, South Sudan faces escalating political tensions and violence, threatening the fragile peace established by the 2018 agreement. The arrest of First Vice President Riek Machar in late March has intensified fears of a return to civil war. Machar's detention, along with that of his allies, has led his party to declare the peace deal collapsed, citing a lack of political goodwill towards peace and stability.

Comment

It is well known the United States pushed the implementation of the separation of Southern Sudan and the establishment of a state in it. The US created a separatist movement called the Sudan People's Liberation Movement in 1983, led by its agent, John Garang, to work to contain all the rebels and their movements in a single movement. Furthermore it is indeed America who brought the former Sudanese President Omar al-Bashir into power in 1989, and asked him to concentrate its influence in the country, and then to implement the idea of separating the South.

Notably, Sudan both North and South became a settlement of U.S. influence with Europe particular British because of its influence in the former Sudan and their agents there, has kept trying to intervene whenever possible, to regain its influence in Sudan, or at least to share with America, even a little influence there.

In this regard, the rivalry between western puppets i.e. President Salva Kiir (a Dinka) and former Vice President Riek Machar (a Nuer) has seen south Sudan in turmoil. The country is deeply divided along ethnic lines, particularly between the Dinka and Nuer communities. The Nuer White Army (a tribal militia) recently attacked government forces in Nasir, leading to mass displacement. All the resolutions reached between the two rivals such as Addis Ababa Peace Accord have been breached, which has turned the country more chaotic. This rivalry between Kier and Machar is due to struggle of interest between the foreign powers who are the key players with vested interests in South Sudan. Their interest is all about plundering resources including oil.

The whole concept of separation is the colonialist kuffar's schemes to tear our countries an apart. Africa a home to a number of separatist movements must realize that through separation it will end herself into civil wars. A south Sudan should serve an open evident of the danger of this colonialist plot. The colonialists have now engaged into a new plan for to separate Darfur. The African intellectuals and the ummah at large should stand firmly against the plots of the colonialist Western powers, especially America, and to restrain those politicians who have put themselves into yoke of capitalists and are carrying out their conspiracies against our land.

It is through the Khilafah Rashida, Rightly Guided Caliphate on the method of prophethood that will unify our lands and will rid our lands completely of any agent or handler that dealt with our lands. Bringing anyone who sold our lands for worldly gains to account. Only the Khilafah can unify us against the enemy and we can then watch their downfall.

The Jews have resumed their aggressive campaign by air, sea and land against Gaza starting from 18/3/2025, and until today. Their aggression has extended to people, trees and stones, killing more than 400 women, children and elderly people. This was after about two months of what they claimed was a ceasefire, but they broke it. The Jews are a treacherous people who are only deterred by what Allah Al-Qawi Al Aziz (The Strong, All-Mighty) mentioned the verse:

فَإِمَّا تَنْفِقْنَهُمْ فِي الْحَرْبِ فَشَرِّدْ بِهِمْ مَنْ خَلَفَهُمْ لَعَلَّهُمْ يَدْكُرُونَ

"If you ever encounter them in battle, make a fearsome example of them, so perhaps those who would follow them may be deterred" [Al-Anfal: 57]. Nothing will deter them except a new "Khandaq (Battle of the Trench)" eradicating their roots, and a Khaybar that returns to strike them as it struck Thamud. Otherwise, they have become accustomed to breaking covenants, and here they are doing it.

['Israel' resumed its war on various parts of the Gaza Strip with a series of violent raids that killed 412 martyrs and wounded hundreds. (Al Jazeera, 18/3/2025)].

[The office of 'Israeli' Prime Minister Benjamin Netanyahu announced, early Tuesday morning, that Hamas targets were attacked throughout the Gaza Strip. The statement added: "'Israel' will, from now on, act against Hamas with increasing military strength." (Sky News Arabia, 18/3/2025)].

[The White House Press Secretary Karoline Leavitt stated that 'Israel' consulted the administration of US President Donald Trump regarding its raids on Gaza on Tuesday. (Al Hurra, 18/3/2025)].

All of these massacres and brutal aggression took place in full view of the armies in Muslim countries, especially those surrounding Palestine, such as Egypt, Jordan, Saudi Arabia, Turkey and Iran, not to mention those countries that were preoccupied with their own humiliation, such as Lebanon, Iraq and Syria! Despite all this and that, the rulers appeal to America and the international community to put pressure on the Jews, at a time when America is the one supporting them. As for the rulers themselves, they content themselves with reluctant condemnation, as if this condemnation would restore life to a martyr, bring healing to a wounded person, or liberate an inch of the Gaza Strip! May Allah destroy them, how they are deluded.

Egypt, which repelled the Crusaders and Tatars, is content with condemning them with hollow pointless statements! (The Egyptian Foreign Ministry condemned the 'Israeli' raids on the Gaza Strip in a statement on Tuesday, describing them as a "flagrant violation of the ceasefire agreement and a dangerous escalation that threatens dire consequences for the stability of

the region." It called on the international community to "intervene immediately to stop the 'Israeli' aggression on the Gaza Strip to prevent the region from relapsing into a renewed cycle of violence and counter-violence." (Sky News, 18/3/2025).

And Jordan, the land of Yarmouk, the great battle that removed the Roman authority from Ash-Sham, also condemned it! (For his part, Jordanian Prime Minister Jaafar Hassan stressed on Tuesday that the war waged by Israel on Gaza "is a war on humanity." The Jordanian news agency Petra quoted Hassan as saying during a cabinet session held today: "The entire international community must be concerned with stopping this barbarity that has targeted children, women and the defenseless, and today it is represented by starvation for the purposes of displacement." (Sky News, 18/3/2025).

As for Turkey, the country of the conqueror who abolished the Roman Empire, also verbally condemns without actions (Turkey condemns the deadly 'Israeli' strikes in Gaza, considering them to constitute a "new phase of the policy of genocide" pursued by the Hebrew state in the Palestinian strip. (Sky News, 18/3/2025). Likewise, its neighbour Iran has its say (In a statement on Tuesday, Iranian Foreign Ministry spokesman Esmail Baghaei pointed out that the 'Israeli' attacks on Gaza, at dawn today, resulted in the deaths of hundreds of people, including women and children... The Iranian spokesman considered that the United States is "directly responsible for these attacks." (Anadolu Agency, 18/3/2025).

As for Saudi Arabia, it has begun to align with Trump's America, saying what he says, not opposing his support for the Jews. Rather, it does not go beyond verbal condemnation, like its counterparts: (Saudi Arabia condemned in the strongest terms on Tuesday 'Israel's' intensification of its genocide against Palestinians in the Gaza Strip and its direct bombardment of civilian-populated areas without the slightest regard for international humanitarian law. (Anadolu Agency, 18/3/2025)).

Thus, the countries surrounding Palestine condemned the Jewish aggression and their ongoing crimes in the Gaza Strip! By this, without mobilizing an army or raising a spear!

O Armies in the Muslim lands, especially those around Palestine:

Is there any excuse left for those who apologize? Is there any argument left for those who protest? How can you see and hear the aggression and massacres of the Jews while you sit in your places, motionless, instead of heading to the land of Al-Ribat, Palestine the Blessed Land, to repel the aggression of the Jews and eliminate their entity? How can you accept to sit while you recite the words of Al-Qawi Al-Aziz,

يَا أَيُّهَا الَّذِينَ آمَنُوا مَا لَكُمْ إِذَا قِيلَ لَكُمْ انْفِرُوا فِي سَبِيلِ اللَّهِ أَتَأْتِنْتُمْ إِلَى الْأَرْضِ
أَرْضِيكُمْ بِالْحَيَاةِ الدُّنْيَا مِنَ الْأَجْرَةِ فَمَا مَتَاعُ الْحَيَاةِ الدُّنْيَا فِي الْأَجْرَةِ إِلَّا قَلِيلٌ * إِلَّا
تَنْفِرُوا يُعَذِّبْكُمْ عَذَابًا أَلِيمًا وَيَسْتَبْدِلَ قَوْمًا غَيْرَكُمْ وَلَا تَضُرُّهُ شَيْئًا وَاللَّهُ عَلَى كُلِّ
شَيْءٍ قَدِيرٌ

“O believers! What is the matter with you that when you are asked to march forth in the cause of Allah, you cling firmly to ‘your’ land?1 Do you prefer the life of this world over the Hereafter? The enjoyment of this worldly life is insignificant compared to that of the Hereafter * If you do not march forth, He will afflict you with a painful torment and replace you with other people. You are not harming Him in the least. And Allah is Most Capable of everything” [At-Tawbah: 38-9]?!

Do you invoke obedience to the rulers who follow the footsteps of the colonial kuffar, step by step and throw obedience to Allah and His Messenger behind their backs? They do not want to fight the Jews, as if they are neutral, but rather they are closer to the side of the Jews. These rulers protect the backs of the Jews while they commit massacres in Palestine. Your obedience to them will not save you from the shame of this world or the torment of the Hereafter, and you will regret it, but it will be too late.

إِذْ تَبَرَّأَ الَّذِينَ اتَّبَعُوا مِنَ الَّذِينَ اتَّبَعُوا وَرَأَوُا الْعَذَابَ وَتَقَطَّعَتْ بِهِمُ الْأَسْبَابُ * وَقَالَ
الَّذِينَ اتَّبَعُوا لَوْ أَنَّا كَرَّرْنَا فَتَنَ رَبِّنَا لَمَّا تَبَرَّأْنَا مِنْكُمْ كَمَا تَبَرَّأُوا مِنَّا كَذَلِكَ يَرِيهِمُ اللَّهُ أَعْمَالَهُمْ
حَسْرَاتٍ عَلَيْهِمْ وَمَا هُمْ بِخَارِجِينَ مِنَ النَّارِ

“Consider the Day` when those who misled others will disown their followers—when they face the torment—and the bonds that united them will be cut off * The `misled` followers will cry, “If only we could have a second chance, we would disown them as they disowned us.” And so Allah will make them remorseful of their misdeeds. And they will never `be able to` leave the Fire” [Al-Baqarah: 166-7].

Obeying the rulers in disobeying Allah is a major crime.

يَوْمَ تُقَلَّبُ وُجُوهُهُمْ فِي النَّارِ يَقُولُونَ يَا لَيْتَنَا أَطَعْنَا اللَّهَ وَأَطَعْنَا الرَّسُولَ * وَقَالُوا
رَبَّنَا إِنَّا أَطَعْنَا سَادَتَنَا وَكُبْرَاءَنَا فَأَضَلُّونَا السَّبِيلَا

“On the Day their faces are `constantly` flipped in the Fire, they will cry, “Oh! If only we had obeyed Allah and obeyed the Messenger!” And they will say, “Our Lord! We obeyed our leaders and elite, but they led us astray from the `Right` Way” [Al-Ahzab: 66-67]

O Armies... Is there not among you a wise man to lead the army and grant us victory to fulfill the promise of Allah Al-Qawi Al-Aziz?

وَعَدَ اللَّهُ الَّذِينَ آمَنُوا مِنْكُمْ وَعَمِلُوا الصَّالِحَاتِ لَيَسْتَخْلِفَنَّهُمْ فِي الْأَرْضِ كَمَا
اسْتَخْلَفَ الَّذِينَ مِنْ قَبْلِهِمْ

“Allah has promised those of you who believe and do

good that He will certainly make them successors in the land, as He did with those before them” [An-Nur: 55]. Is there not among you a wise man who will lead the army and support us in establishing the Khilafah (Caliphate) after this oppressive rule in which we live to fulfill the glad tidings of the Messenger of Allah (saw)?

ثُمَّ تَكُونُ مَلَكًا جَبْرِيَّةً فَتَكُونُ مَا شَاءَ اللَّهُ أَنْ تَكُونَ ثُمَّ يَرْفَعُهَا إِذَا شَاءَ أَنْ يَرْفَعَهَا،
ثُمَّ تَكُونُ خِلَافَةً عَلَى مَنِهَاجِ النَّبِيِّ ثُمَّ سَكَتَ

“Then there will be an oppressive rule (تيربج الكلم), and it will last for as long as Allah wishes, then He will lift it if He wishes. Then there will be a Khilafah on the method of Prophethood.” Then he (saw) fell silent”.

Is there not a wise man among you who will lead the army and break the shackles created by the Ruwaibidha (insignificant, ignorant) rulers of not fighting the Jews? Then the soldiers of Islam will set out and these soldiers will achieve what the Truthful, the Trusted One has informed us: Al-Bukhari extracted in his Sahih:

..تَقَاتِلُكُمْ الْيَهُودُ فَسَلْطُونٌ عَلَيْهِمْ..

“The Jews will fight you, and you will prevail over them...” And Muslim extracted in his Sahih:

..لَتَقَاتِلَنَّ الْيَهُودَ فَلَتَقَاتِلَنَّهُمْ..

“You will fight the Jews and kill them...” And then you will uproot the Jewish entity from the Blessed Land, and then the Blessed Land will return to the Abode of Islam (Dar ul-Islam), as Umar opened it, Salah ud-Din liberated it, and Abdul Hamid preserved it!

وَيَوْمَئِذٍ يَفْرَحُ الْمُؤْمِنُونَ * بِنَصْرِ اللَّهِ يَنْصُرُ مَنْ يَشَاءُ وَهُوَ الْعَزِيزُ الرَّحِيمُ

“And on that day the believers will rejoice * at the victory willed by Allah. He gives victory to whoever He wills. For He is the Almighty, Most Merciful” [Ar-Rum: 4-5].

Displacement or Liberation, O Ummah of Islam?!

The tyrant of America, Trump, said in a joint press conference with the criminal Netanyahu on the evening of Tuesday, February 4, 2025: "The U.S. will take over the Gaza Strip, and we will do a job with it too" He added, "We will turn the devastated Gaza Strip into the Riviera of the Middle East." He spoke of long-term ownership and reaffirmed his previous statement about displacing the people of Gaza, in which he emphasized the subjugation of the rulers of Egypt and Jordan and their subordinates, saying: "Egypt and Jordan said they would not receive residents from Gaza, and I said they will." Such are the submissive, traitorous rulers.

Trump threatens the people of Palestine with a new catastrophe no less severe than the Nakba of 1948 or the Naksa of 1967. He speaks arrogantly as if Palestine is his possession or a province of his country. This is the reality Muslims now see regarding the Palestinian issue, which has been left in the hands of America and the disbelieving (kufr) nations.

O Muslims in general and the people of the Blessed Land in particular:

Separating the issue of Palestine from Islam and the Muslim Ummah, leaving it to America and the Quartet Committee, and tying it to international resolutions will only result in the liquidation of the Palestinian cause. This is a reality that Allah, the Exalted, has warned us about, calling upon us with caution:

يَا أَيُّهَا الَّذِينَ آمَنُوا إِن تَطِيعُوا الَّذِينَ كَفَرُوا يَرُدُّوكُمْ عَلَىٰ أَعْقَابِكُمْ فَتَنْقَلِبُوا خَاسِرِينَ
* بَلِ اللَّهُ مَوْلَاكُمْ وَهُوَ خَيْرُ النَّاصِرِينَ

"O you who have believed, if you obey those who disbelieve, they will turn you back on your heels, and you will [then] become losers, But Allah is your protector, and He is the best of helpers." [Surat Aal-i-Imran:149-150].

Entrusting the issue of Palestine and Al-Aqsa Mosque to the traitorous regimes and the Palestinian Authority has enabled Jewish entity to persist, expand its settlements, and provided cover for your killing and displacement from your land. Do not be deceived by their empty statements rejecting displacement; these are partners in crime. Whoever accepts destruction will accept displacement, and those stained with treachery and betrayal, who have relinquished the land, will surely accept displacement. If the issue of Palestine is not returned to Islam and the Muslim Ummah, and if the armies of Muslims are not

mobilized to overthrow the agent regimes and engage in jihad in the path of Allah to liberate the sanctified land of the Messenger of Allah (swt), Palestine and the lands of the Muslims will continue to be crushed by America, Jewish, and their agent rulers.

O Muslims: Trump's statements regarding Palestine, Canada, Panama, China, and others are a true reflection of the mindset of the capitalist tyrants. To them, the world is nothing more than interests and profits. This is the essence of the capitalist ideology, and the entire West thinks along these lines. The capitalist ideology is founded on utilitarianism and selfishness, producing leaders who are murderers and enemies of humanity. The leaders of this ideology have committed ethnic cleansing in the colonies they occupied.

Today, the world lives in the darkness of capitalism and disbelief and will continue to flounder in these dark abysses until the Khilafah (Caliphate) saves it. The absence of a strong Khilafah has led to two world wars, killing around 100 million people, and their killing machinery still operates in various forms. In Africa, over 20 million displaced people suffer from hunger, disease, and conflicts fueled by Western powers. The world today stands on the brink of devastating wars that will destroy both people and land.

The entire world today desperately needs the Ummah of Muhammad (swt), for it is the only Ummah capable of saving humanity. We possess the message of the Lord of the Worlds, which dispels darkness and alleviates the hardships of life. It is the Sharia of Islam, Allah's mercy to the worlds.

O Armies in the Muslim lands, O Officers and Commanders:

Has the time not come for your hearts to humble themselves to the remembrance of Allah and what has been revealed of the truth? Has the time not come for you to stand with dignity and overthrow the thrones of the rulers who subject you and your Ummah to all forms of humiliation? Has the time not come for you to realize that your Ummah, the Ummah of Muhammad (swt), is capable of saving humanity?

Has the time not come for you to realize that you are capable of defeating America, liberating the Bayt al-Maqdes, and establishing justice among people?

Cont... page 8

Has the time not come for you to respond to the call of Allah:

يَا أَيُّهَا الَّذِينَ آمَنُوا مَا لَكُمْ إِذَا قِيلَ لَكُمْ أَنْفِرُوا فِي سَبِيلِ اللَّهِ أَتَأْتَلْتُمْ إِلَى الْأَرْضِ
أَرْضَيْتُمْ بِالْحَيَاةِ الدُّنْيَا مِنَ الْآخِرَةِ فَمَا مَتَاعُ الْحَيَاةِ الدُّنْيَا فِي الْآخِرَةِ إِلَّا قَلِيلٌ * إِلَّا
تَنْفِرُوا يُعَذِّبْكُمْ عَذَابًا أَلِيمًا وَيَسْتَبْدِلَ قَوْمًا غَيْرَكُمْ وَلَا تَضُرُّوهُ شَيْئًا وَاللَّهُ عَلَى كُلِّ
شَيْءٍ قَدِيرٌ

“O you who have believed, what is [the matter] with you that, when you are told to go forth in the cause of Allah, you adhere heavily to the earth? Are you satisfied with the life of this world rather than the Hereafter? But what is the enjoyment of worldly life compared to the Hereafter except a [very] little.” [Surat At-Tawba:38-9].

O Ummah of the Messenger of Allah (swt), O best nation brought forth for humankind:

The people of Palestine today face death and displacement, and you have no choice but to rise for liberation, to liberate yourselves from the tyrannical rulers and the agents of the West, and to march with your armies towards the Bayt al-Maqdes to free and purify it from the filth of the occupiers. Any delay or hesitation in overthrowing the agent rulers in the Muslim lands will cost us dearly in our blood, children, and wealth.

Your responsibility towards humanity, as imposed by Islam, obliges you to act with all your strength to establish the Khilafah on the method of Prophethood and to unite the Muslim lands to stand against America and the enemies of humanity among the capitalist tyrants.

True faith, sincere reliance on Allah, and severing ties with Satan and his allies are what make us deserving of Allah’s victory:

يَا أَيُّهَا الَّذِينَ آمَنُوا إِنْ تَصْرُوْا اللَّهَ يَنْصُرْكُمْ وَيُثَبِّتْ أَقْدَامَكُمْ

“O you who have believed, if you support Allah, He will support you and plant firmly your feet.” [Surat Muhammad:7]. If Allah grants us victory, none can defeat us:

إِنْ يَنْصُرْكُمْ اللَّهُ فَلَا غَالِبَ لَكُمْ وَإِنْ يَخْذُلْكُمْ فَمَنْ ذَا الَّذِي يَنْصُرْكُمْ مِنْ بَعْدِهِ وَعَلَى
اللَّهِ فَلْيَتَوَكَّلِ الْمُؤْمِنُونَ

“If Allah should aid you, no one can overcome you; but if He should forsake you, who is there that can aid you after Him? And upon Allah let the believers rely.” [Surat Aal-i-Imran:160]. Take heed from the example of the Mongols; they killed millions, yet they were defeated by the sincerity of the believers at Ain Jalut.

Our trust in Allah, the Almighty, is inseparable from our trust in our Ummah, which Allah has entrusted with

His Book and revelation. Do not be overwhelmed by America’s power and arrogance, for Allah is dominant over them, and His strength supports you. Rise, O strong believers, proclaim the truth, fear none but Allah, overthrow the agent rulers, pledge allegiance (bayah) to a Khalifah (Caliph) who will establish the Deen among you, and Allah will fulfill His promise to manifest His Deen:

هُوَ الَّذِي أَرْسَلَ رَسُولَهُ بِالْهُدَىٰ وَدِينِ الْحَقِّ لِيُظْهِرَهُ عَلَى الدِّينِ كُلِّهِ وَلَوْ كَرِهَ
الْمُشْرِكُونَ

“It is He who has sent His Messenger with guidance and the religion of truth to manifest it over all religion, although they who associate others with Allah dislike it.” [Surat At-Tawba:33].

Tamim al-Dari (may Allah be pleased with him) said: I heard the Messenger of Allah (swt) say:

لَيُبَلِّغَنَّ هَذَا الْأَمْرَ مَا بَلَغَ اللَّيْلُ وَالنَّهَارُ، وَلَا يَبْرُكُ اللَّهُ بَيْتَ مَدْرٍ وَلَا وَبِرٍ، إِلَّا
أَدْخَلَهُ اللَّهُ هَذَا الدِّينَ يُعَزُّ عَزِيْرًا أَوْ يُدَلُّ دَلِيْلًا، عَزًّا يُعَزُّ اللَّهُ بِهِ الْإِسْلَامَ وَأَهْلَهُ، وَدَلًّا
«يُدُلُّ اللَّهُ بِهِ الْكُفْرَ»

“This matter will certainly reach every place touched by the night and day. Allah will not leave a house of mud or fur except that He will cause this religion to enter it, bringing honor to the honorable and humiliation to the humiliated—honor that Allah gives to Islam and its people, and humiliation that Allah inflicts upon disbelief.”

O Allah, convey this good from us, open the hearts of the Muslims to it, and grant us from You a supporting authority. All praise is due to Allah, Lord of the Worlds.
